REPORT OF MEDICAL CAMP

Date of Camp: 10.06.2026

Place: Organized by Lions Club of Jigani Town, in collaboration with Sushruta Ayurvedic Medical College and Hospital, Jigani Hobli, Anekal Taluk, Bengaluru.

Objectives

- To provide accessible medical consultation and basic health assessment to the local community.
- To create health awareness and encourage early identification of common ailments.
- To support underserved populations with free medical guidance and preliminary treatment.
- To strengthen community engagement through health outreach activities.

Medical Team

- **Consultant:** Dr. Ramya RV
- **RMO-** Dr. Yashbir
- **Interns:** Gautami and Rohan

Activities Conducted

- General health check-up for all attending patients.
- Basic diagnosis and preliminary Ayurvedic medical advice.
- Recording of vital parameters including blood pressure, pulse rate, and other general health indicators.
- Distribution of necessary medications as per the consultant's advice.
- Health counseling on diet, lifestyle modifications, and preventive healthcare practices.
- Referral of patients requiring further medical evaluation and treatment.

Outcomes

- **Total Patients Attended: 34**
 - **Male: 16**
 - **Female: 18**
- Increased awareness of common health issues and preventive healthcare measures among community members.
- Early identification of several minor ailments with appropriate medical advice and follow-up recommendations.
- Strengthened community trust and participation in healthcare outreach initiatives organized by the Lions Club of Jigani Town.
- Positive feedback received from beneficiaries regarding the quality, accessibility, and effectiveness of the services provided.

Future Plans

- Conduct similar medical camps regularly to ensure continued healthcare support for the community.
- Organize specialized health camps focusing on women's health, diabetes, hypertension, geriatric care, and lifestyle disorders.
- Collaborate with additional healthcare institutions and specialists to provide multidisciplinary healthcare services.
- Establish a follow-up mechanism for patients identified with chronic illnesses and those requiring ongoing medical care.

Conclusion

The Medical Camp conducted on **10.06.2026** was successful in achieving its objectives by providing essential healthcare services to **34 community members**. The dedicated efforts of **Dr. Ramya**, interns **Gautami and Rohan**, and the volunteers of the **Lions Club of Jigani Town** ensured the smooth and effective execution of the camp. The initiative contributed significantly to health awareness, early detection of common ailments, and community well-being. The success of the camp highlights the importance of sustained healthcare outreach programs, and the organizers remain committed to serving the community through future health initiatives.
