Introduction

A Free Medical Camp was organized at Harapanahalli Village on 05 June 2026 in association with the celebration of World Environment Day by Sushrutha Ayurvedic Medical College and Hospital. The programme aimed to promote community health awareness and environmental consciousness among the villagers.

Objectives

- To provide free basic health check-ups to the rural population.
- To create awareness regarding personal health and hygiene.
- To educate the public on the importance of environmental protection and sustainable practices.
- To distribute medicines and health samples to the beneficiaries.
