**REPORT ON UPGRADATION OF PATHOLOGY LABORATORY WITH FULLY
AUTOMATED BIOCHEMISTRY ANALYSER**

Organized by: Department of Roganidana

Date: 27th March 2026

Venue: Clinical Pathology Laboratory

On the auspicious occasion of 27th March 2026 Ramanavami, the **Department of Roganidana** marked a significant milestone with the upgradation of the Clinical Pathology Laboratory by installing a **Fully Automated Biochemistry Analyser**, thereby enhancing the diagnostic capabilities of the institution.

The event was graced by the esteemed presence of:

- Dr. B. R. Ramakrishna
- Dr. V. V. Ramareddy
- Dr. Sanghamitra Patnaik
- Dr. Vasudeva Vaidya

The dignitaries formally inaugurated and reviewed the newly installed fully automated analyser. This advancement represents a major step toward improving laboratory efficiency, accuracy, and turnaround time in diagnostic services.

The upgraded system enables:

- High-throughput sample processing
- Enhanced precision and reliability of biochemical investigations
- Reduced manual errors
- Faster reporting for improved patient care

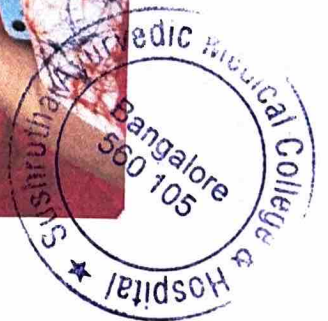

During the session, the honorable Director, **Dr. B. R. Ramakrishna**, emphasized the importance of integrating advanced diagnostic technologies to strengthen clinical services and research. The respected Principal, **Dr. V. V. Ramareddy**, highlighted how such developments contribute to academic excellence and improved patient outcomes. The Medical Superintendent, **Dr. Sanghamitra**, appreciated the efforts of the Department of Roganidana in achieving this upgrade, while the Deputy Registrar, **Dr. Vasudeva Vaidya**, acknowledged the institution's commitment to quality healthcare and innovation.

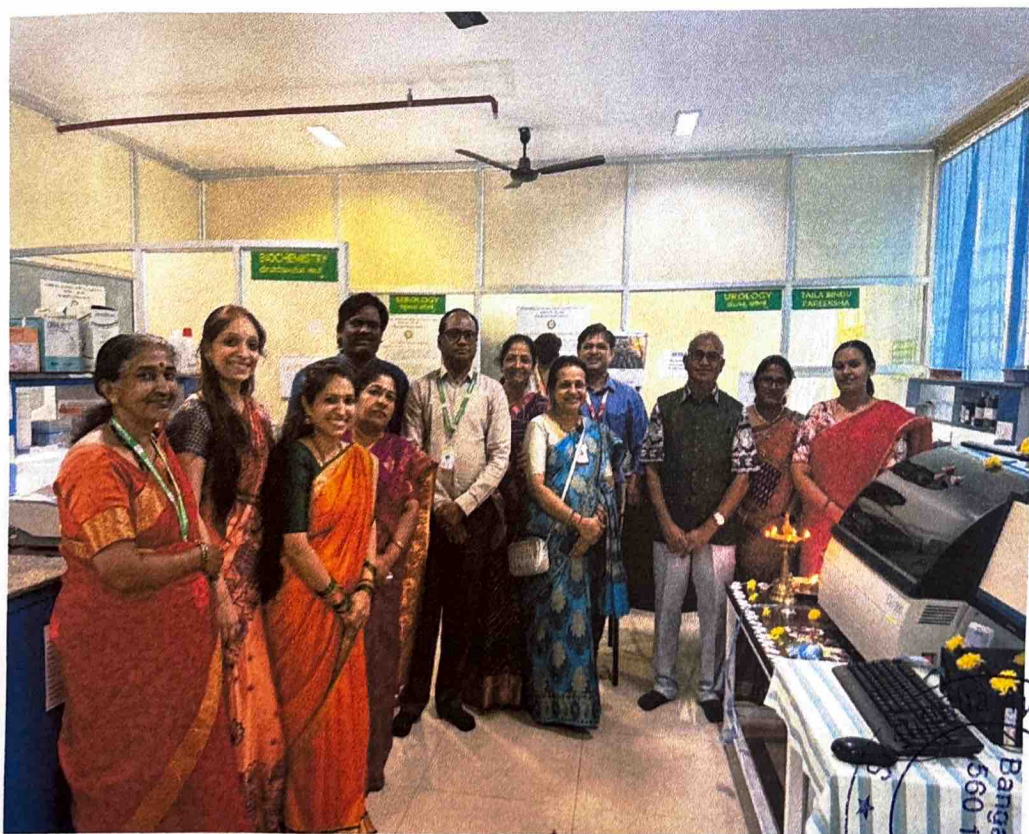

The faculty and staff of the **Department of Roganidana** expressed their sincere gratitude to the management for their continuous support in modernizing laboratory facilities.

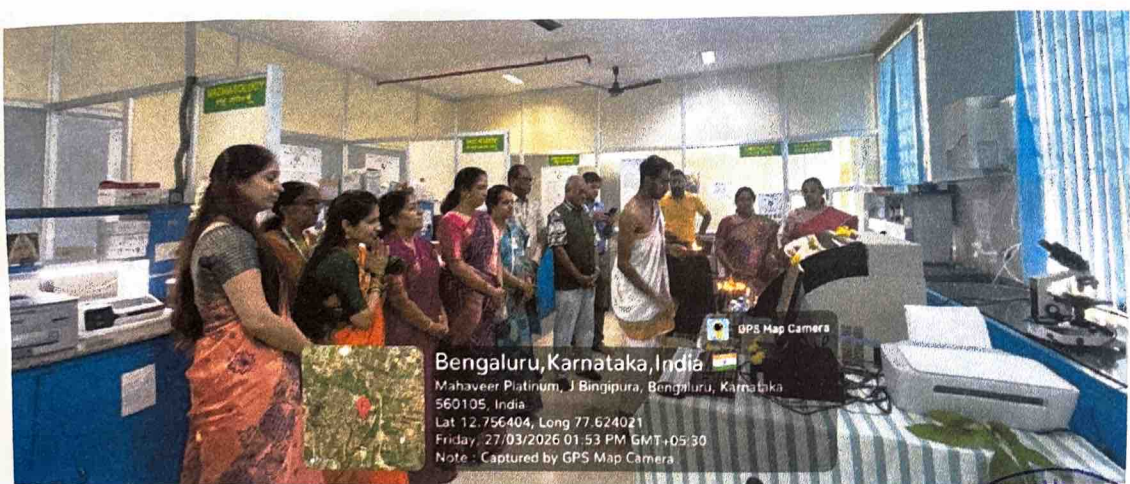

This upgradation reflects the institution's dedication to delivering **high-quality, efficient, and patient-centered diagnostic services**, in alignment with modern healthcare standards.
